

POST-BACCALAUREATE PRE-MEDICAL CERTIFICATE HYBRID PROGRAM

Drexel's hybrid, part-time, two year pre-medical certificate program is specifically designed for those who:

- Have non-science undergraduate degrees but wish to pursue a career in the health professions.
- Want to pursue health-related education but lack the pre-requisite science coursework.
- Completed science courses previously but require updated credentials.
- Need the convenience of an online program combined with the experience of on-campus lab work.
